SnowdropKCS Personnel Software

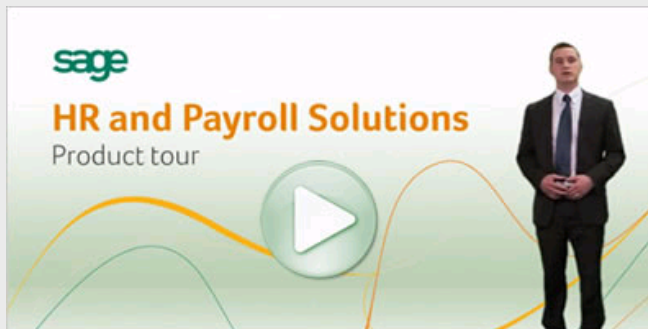

[Information centre](#)[Sage news](#)[Customer login](#)[Payslip calculator](#)[Contact us](#)[About us](#)

SnowdropKCS Personnel software is rich with all the features you need to quickly and efficiently manage employee information on a daily basis.

Whether streamlining correspondence for you, helping you manage and understand absence, or improving appraisal management, our personnel module is designed to support better understanding of and interaction with your people.

Helping you plan ahead

Not only do we take care of needless admin, we also offer sophisticated tools, like salary models and organisational charts that help you make informed decisions for the future. And that's all on top of legislative updates that keep you compliant.

The personnel module assists with a whole range of areas, including:

- Current position and job history
- Complete salary history
- Absence management
- Employee communications
- Maternity, paternity, adoption and parental leave
- Health and safety, including risk assessment and accident reporting
- Holidays
- Work and shift patterns
- Benefits
- SAYE, share options and pensions
- Performance reviews and personal development plans
- Dependant and next of kin
- Company car details
- Timesheets
- Employee training
- Flexible working
- Organisation charts
